THE WOMAN OF 1001 VOICES AND FACES

“One Voice” Starring Female Celebrity Voice Impressionist

Bethany Owen

Impressionist, Bethany Owen celebrates the zany and fun side of celebrity personalities through the use of comedic parody and musical vocal tributes to some of the world’s most legendary female superstars of our time. In countless shows and concerts performed across the country, she continues to amaze audiences of all ages and backgrounds with her 90-minute one-woman show, "ONE VOICE".

Her incredible talent to mimic the human voice in singing and speaking style makes her one of the leading female animation studio voice-over artists as well as live stage performance voice impressionists working in the industry today.

Bethany not only performs each celebrity voice, she BECOMES the characters she is impersonating. Their look, body language and facial expressions are brought to life through her quick costume and wig changes done “live” in front of the audience.

From pop divas like Cher, Madonna and Tina Turner, classic performers such as Marilyn Monroe, Liza Minnelli, Barbra Streisand and Judy Garland, comedic leading ladies like Joan Rivers and Minnie Pearl, tributes to country-music superstars like Dolly Parton, Patsy Cline, Tammy Wynette, Reba McEntire and Shania Twain, legendary women of Jazz like Ella Fitzgerald, Peggy Lee, Anita O'Day and Lena Horne and even a little Sharon Osbourne, Macy Gray and Alanis Morissette, Bethany delivers a jam packed evening of laughs, magic and entertainment that always leaves audiences on their feet wanting more.

Bethany Owen’s show "One Voice" is a one-of-a-kind event blending comedy, music and pure entertainment for all ages to enjoy. Take a fascinating journey into the unique world of this extraordinary and magical entertainer. You’ll never look at your favorite artists the same way again.
